

Song Lyrics to, "Declaration"

THERE IS A HIGHER THRONE:

There is a higher throne than all this world has known
Where faithful ones from every tongue
Will one day come
Before the Son we'll stand made faultless through the Lamb
Believing hearts find promised grace; Salvation comes

Hear Heaven's voices sing; their thunderous anthem rings
Through emerald courts and sapphire skies
Their praises rise
All glory, wisdom, power, strength, thanks, and honor are
To God our King who reigns on high
Forevermore

And there we'll find our home our life before the throne
We'll honor Him in perfect song
Where we belong
He'll wipe each tear-stained eye as thirst and hunger die
The Lamb becomes our Shepherd King; we'll reign with Him

Hear Heaven's voices sing; their thunderous anthem rings
Through emerald courts and sapphire skies
Their praises rise
All glory, wisdom, power, strength, thanks, and honor are
To God our King who reigns on high
Forevermore
Forevermore

All glory, wisdom, power, strength, thanks, and honor are
To God our King who reigns on high
Forevermore
Forevermore

Hear Heaven's voices sing; their thunderous anthem rings
Through emerald courts and sapphire skies
Their praises rise; their praises rise
All glory, wisdom, power, strength, thanks, and honor are
To God our King who reigns on high
Forevermore, Evermore
Forevermore

GOD DID IT ALL:

How do we know who set the world in motion
Who put the stars in the sky
Who separated man from the ocean
Who taught the birds how to fly
There's rhyme and there's reason
For the times and the seasons
That there's only one way to define
The source of it all can only be called divine

God did it all before there was time or space
He spoke and it was
What's seen and what's unseen all there in its place
By His Word, by His plan all because
Man's wisdom will fail, God's truth will prevail
Though the world should topple and fall
At the end every man will declare, "God did it all"

How do we know that God's crowning creation
One day would fall into sin
His Word tells it all and His plan for salvation
Grace offered time and time again
God sent His own Son here; Redemption was won here
By blood streaming down from a cross
"It is finished," He cried when He died
God did it all – He did it all

God did it all before there was time or space
He spoke and it was
What's seen and what's unseen all there in its place
By His Word, by His plan all because
Man's wisdom will fail, God's truth will prevail
Though the world should topple and fall
At the end every man will declare, "God did it all"

Man's wisdom will fail, God's truth will prevail
Though the world should topple and fall
At the end every man will declare (3 times)
God did it all

Man's wisdom will fail, God's truth will prevail
Though the world should topple and fall
At the end every man will declare
God did it all

I SEE GRACE:

Here in these walls; here in these rows
There are those who regret the roads they once chose
More than the sorrow, more than the pain
There is joy for the way that
Through Christ they've been changed

There are lives freed from bondage of sins once concealed
There are bodies and minds, spirits now healed
Those who found freedom and shook off the chains
From the long years of guilt, anger, and shame

I see grace; I see grace
In every life; on every face
Of the faithful who gather each week in this place
I see grace

There are those in this life who've been dealt a poor hand
They've overcome and by God's strength they stand
Those who have come through unbearable loss
Not defined by the past but defined by the Cross

I see grace; I see grace
In every life; on every face
Of the faithful who gather each week in this place
I see grace

Story after story, one common theme
God's power and glory in those He's redeemed
Such tender mercy time after time
So many ways in this story that's mine

I see grace;
Grace; I see grace
In every life; on every face
Of the faithful who gather each week in this place
I see grace

The faithful who gather each week in this place
I see grace; I see grace

THE GOSPEL SONG/BEFORE THE CROSS

Holy God in love He came
Perfect man to bear my blame
On the cross He took my sin
By His death I live again

My Savior's sacrifice paid for all my sin
So in my suffering I look to the cross again
No need, no want, no trial, no pain
Can compare to this
The wrath of God, once meant for me
Was all spent on Him

Before the cross, I humbly bow
I place my trust in the Savior
Your finished work captures my gaze
You bore the wrath, I know the grace

In my darkest hour, Your presence is my peace
In my days of joy, Your grace carries me
Jesus, my Great High Priest
The One who pleads for me
My heart is filled with faith in You
Here at Calvary on my knees

Before the Cross, I humbly bow
I place my trust all in the Savior
Your finished work captures my gaze
You bore the wrath, I know the grace

No need, no want, no trial, no pain
Can compare to this
The wrath of God, once meant for me
Was all spent on Him

Before the Cross, I humbly bow
I place my trust all in the Savior
Your finished work captures my gaze
You bore the wrath, I know the grace

ALL OVER THE WORLD:

All over the world the gospel grows planted in human hearts
All over the world the Father shows the love that's in His heart
And His voice goes out to every part 'til everyone has heard
And the wind of the Spirit brings new life in Christ all over the world

For the glory of the Father; for the honor of His name
For the fullness of His pleasure; for the radiance of His fame
So let the nations rejoice; let them lift up their voice
Everybody sing His praises; praise Him all over the world

All over the world God's blessings flow to every humble heart
All over the world His favor shows the longing of His Heart
That His people be filled with His great delight fully satisfied
Finding their greatest joy in obedience to Christ all over the world

For the glory of the Father; for the honor of His name
For the fullness of His pleasure; for the radiance of His fame
So let the nations rejoice; let them lift up their voice
Everybody sing His praises; praise Him all over the world

He gave us sight so that we could see
He gave us light so that we could believe

For the glory of the Father; for the honor of His name
For the fullness of His pleasure; for the radiance of His fame
So let the nations rejoice; let them lift up their voice
Everybody sing His praises; praise Him all over the world

For the glory of the Father; for the honor of His name
For the fullness of His pleasure; for the radiance of His fame
So let the nations rejoice; let them lift up their voice
Everybody sing His praises; praise Him all over the world

So let the nations rejoice; let them lift up their voice
Everybody sing His praises;
Sing, sing, sing all over the world

WE BELIEVE:

I believe in the Father who created all that is
And I believe the universe and all therein is His
As a loving Heavenly Father, He yearned to save us all
To lift us from the fall....I believe.

I believe in Jesus the Father's only Son
Existing uncreated before time had begun
A sacrifice for sin, He died then rose again
To ransom sinful men...I believe.

I believe in the Spirit who makes believers one
My heart is filled with His presence
The Comforter has come
The kingdom unfolds in His plan
Unhindered by quarrels of man
His church upheld by His hand...I believe.

Though the earth be removed
And time be no more
These truths are secure
God's word shall endure
Whatever may change, these things are sure...We believe.

So if the mountains are cast down into the plains
When kingdoms all crumble, this one remains
Our faith is not subject to seasons of man
With our fathers we proclaim
We believe our Lord will come as He said
The land and the sea will give up their dead
His children will reign with Him as their head
We believe.

We believe in the Father and all He has done
We believe in Jesus, his one and only Son
And we believe in the Spirit who makes believers one
We believe
We believe
We believe

THIS IS THE DAY:

This is the day that the Lord hath made
I will rejoice and be exceedingly glad
I will lift up mine eyes to which cometh my help
What cometh from the Lord
Great God Almighty never, never fails

I can't help but tell what He's done for me
How He lifted my soul and gave me the victory
Set my footsteps a' walkin' right
Gave me eyes to see the light
This is the day that the Lord hath made

Let the Heavens rejoice, let the earth be glad
Let the hills sing forth, let the sea roll back
This is the day that the Lord hath made (2 times)

Let the Heavens rejoice, let the earth be glad
Let the hills sing forth, let the sea roll back
Let the earth and all creation
Every tribe and every nation
Sing a song of adoration
It's the day of celebration
This is the day that the Lord hath made; He hath made

I'm gonna keep on singin'; I'm gonna keep on shoutin'
I'm gonna keep on liftin' my voice and let the world know that Jesus saves

I'm gonna keep on singin'; I'm gonna keep on shoutin'
I'm gonna keep on liftin' my voice and let the world know that this is the day
That the Lord hath made
I will rejoice and be exceedingly glad
I will lift up mine eyes to which cometh my help
What cometh from the Lord
Great God Almighty never, never fails; never fails

Let the Heavens rejoice, let the earth be glad
Let the hills sing forth, let the sea roll back
Let the Heavens rejoice, let the earth be glad
Let the hills sing forth, let the sea roll back
This is the day that the Lord hath made

THEN I MET THE MASTER:

Like a babe when it cries for its mother
Like a child, I was helpless alone
Then I met the Master
Now I am one of His own

For all things were changed
When He found me
A new day broke through
All around me
For I met the Master
Now I belong to Him

Like a blind man who walks in the darkness
I had longed, I had searched for the light
Then I met the Master
No I walk no more in the night

For all things were changed
When He found me
A new day broke through
All around me
For I met the Master
Now I belong to Him

I met the Master
Now I belong to Him

For all things were changed
When He found me
A new day broke through
All around me
For I met the Master
The Master
Now I belong to Him

I met the Master
Now I belong to Him
I met the Master
Now I belong to Him
I belong to Him.

I STILL BELIEVE IN THE CHURCH:

I still believe in the Church; I still believe in Her Word
I believe She can stand, She's upheld by His hand
You know She's built on the Rock, and Her work never stops
Her work never stops
And the gates of hell shall not prevail, I still believe in the Church.

She's been scattered and scorned; She's been tattered and torn
She's been under arrest; You know she's been in a mess
But She's still His Bride; The Lord is still on Her side
And no matter what they say, they can't take Her strength away
She's empowered by the strong arm of God.

I still believe in the Church; I still believe in Her Word
I believe She can stand, She's upheld by His hand
She's built on the Rock, and Her work never stops
Her work never stops
And the gates of hell shall not prevail, I still believe in the Church.

Well She's been through the flood and She's been through the fire
Not always what She should but She's still His desire
She's been lost in the desert, but the Lord lead Her out
And He laid the foundation for Her salvation
With the sacrifice of His life.

I still believe in the Church; I still believe in Her Word
I believe She can stand, She's upheld by His hand
You know She's built on the Rock, and Her work never stops
Her work never stops
And the gates of hell shall not prevail,

I still believe in the Church, I still believe in Her Word
I believe She can stand, She's upheld by His hand
She's built on the Rock; and Her work never stops
Her work never stops
And the gates of hell shall not prevail, I still believe in the Church
The Church
And the gates of hell shall not prevail, I still believe in the Church
The Church

ABSOLUTE PEACE:

When I listen to the news
With its gloom and doom reviews
Talk of war and nations in distress
I'm reminded of God's Word
How my every prayer is heard
All my fears are calmly laid to rest

I shall hold fast my faith in the Lord
For He promised to be faithful to His Word
With tomorrow in His Hand
And His perfect master plan
I will trust Him and have absolute peace

I fear no threat of things yet to come
For I know at Cavalry total victory was won
So I will not fear or dread
Over things that lie ahead
I will trust Him and have absolute peace
That passes understanding
I will trust Him and have absolute peace
Sweet peace

IN CHRIST ALONE:

In Christ alone my hope is found
He is my light, my strength, my song
This cornerstone, this solid ground
Firm through the fiercest drought and storm
What heights of love, what depths of peace
When fears are stilled, when strivings cease
My Comforter, my All-in-All
Here in the love of Christ I stand.

In Christ alone who took on flesh
Fullness of God in helpless babe
This gift of love and righteousness
Scorned by the ones he came to save
Till on that cross as Jesus died
The wrath of God was satisfied
For every sin on Him was laid
Here in the death of Christ, I live.

There in the ground His body lay
Light of the world by darkness slain
Then bursting forth in glorious day
Up from the grave He rose again
And as He stands in victory
Sin's curse has lost its grip on me
For I am His and He is mine
Bought with the precious blood of Christ

In Christ alone I place my trust
And find my glory in the power of the cross
In every victory let it be said of me
My source of strength
My source of hope
Is Christ alone I place my trust
And find my glory in the power of the cross
In every victory let it be said of me
My source of strength
My source of hope
Is Christ alone.

STATEMENT OF FAITH:

I believe that God is sovereign over all
And He alone is worthy of our praise
Father, Spirit, Son – the Holy Three in One
He reigns no matter what the world may say
Surely time has come for us to take a stand
To hold to our convictions without shame
Opposers to the faith abound on every hand
But the Gospel must be fearlessly proclaimed

I believe that Jesus is the Holy Son of God
He came to earth to live a perfect life
I believe He bled and died upon a cruel cross
And there He made the greatest sacrifice
I believe He rose again and that He lives today
And soon He's coming back to earth again
More than just a creed; this is what I believe
Jesus is the only way
This is my Statement of Faith

I believe the Bible is the Word of God
Given to the world to show the way
No room for compromise
All its trustworthiness
Is here for us to follow and obey
There are absolutes that cannot be denied
And what is true forever shall remain
I made my choice to live for Christ the Crucified
The Living One who is the only way.

I believe that Jesus is the Holy Son of God
He came to earth to live a perfect life
I believe He bled and died upon a cruel cross
And there He made the greatest sacrifice
I believe He rose again and that He lives today
And soon He's coming back to earth again
More than just a creed; this is what I believe
Jesus is the only way
This is my Statement of Faith

(Recitation by Michael)

I believe there is one true God and that Jesus Christ is His Holy Son. That He is the living Word and that by Him and through Him all things were made. I believe that He was conceived by the Holy Spirit and born of the Virgin Mary. He lived a sinless life, healed the sick, gave sight to the blind, and brought the dead back to life.

I believe in the Cross that Jesus, God's sacrificial lamb, shedding His blood, was crucified as atonement for the sins of all the world and whoever believes in Him will not perish but have everlasting life.

I believe in the Resurrection - that on the third day He rose from the tomb conquering death, hell, and the grave and today He sits at the right hand of the Father and that because He lives, we shall live also.

I believe in the Church, a harbor of souls where God is glorified, Saints are edified, Grace is multiplied, and Mercy is magnified.

I believe in the Holy Spirit who lives within all who are saved by grace through faith. He is our comforter, our friend, our guide.

And I believe that one day Jesus will come again to claim His own and prove once and for all that He is the King of Kings and the Lord of Lords

I believe He rose again and that He lives today
And soon He's coming back to earth again
More than just a creed; this is what I believe
Jesus is the only way
This is my Statement of Faith
This is my Statement of Faith
