

This Stage Of Grace

Eternity There

CHORUS

Heaven, Holy City, New Jerusalem
City Four square
But will Heaven be heaven without you
Don't you want to spend eternity there.

Everybody's heard about it, talked about it
Dreamed about it, I'm gonna shout
It's gonna happen some day in the air
In the air. In the end
Oh please don't miss it, Friend, don't miss it
Come to Jesus this very minute
Then we all can spend eternity there.

Repeat Chorus Twice

TAG

Heaven, Oh I want to see you there

Still Feelin' Fine

Once upon a time I was feelin' mighty fine
And I said it in a happy song
I said it 'cause it told just how I felt
And my friend's started singing along
If you ask me if I'm still feelin' fine right now
I can answer with an all time YES
I can tell you how I feel
There's never any need to guess

CHORUS

Well I'm still feelin' fine after all this time
I'm feelin' might fine today
Every day I'm climbing just a little bit higher
Walkin' up the King's Highway
I still want to go
Where the milk and honey flow
And I'm not gonna change my mind
Happy on my journey
And I'm still feelin' might fine.

Wake up in the morning.
Thinkin' 'bout the journey
Goin' to the promised land
Thinkin' 'bout the songs we used to sing
And I sing them all over again
God has never changed and my song remains
And Heaven's still on my mind
I know where I'm going
And I'm still feelin' mighty fine.

Repeat Chorus three times.

TAG

I still want to go
Where the milk and honey flow
And I'm not gonna change my mind

This Love Is Mine

A living flame forever burning
An endless road that has no turning
The love of God will never die
And it reaches to such as I

CHORUS

This love is mine I know it
He gave His son to show it
He lifted me from depths of darkness
To walk in light divine
A love that has no ending
All other love's transcending
Forevermore with joy I'll tell it
This love is mine.

I can't explain how God could save me
And I can't explain the love He gave me
But still it's real. It lives today
And it never will pass away.

Repeat Chorus

TAG

This love is mine
This love is mine

Castles In The Sand

Like a child by the seashore
Building castles in the sand
Foolish dreams I have dreamed
Day by day
Leaving God out completely
Till the day my castles grand
Fell apart in the tide and swept away

In each life storms will gather
Rains descend and wild winds blow
Wise the man who in God
Is anchored fast
Are you then like that wise man
Are you anchored do you know
You are safe till the storms of life are past

Castles built upon the sand
Though they seem to be so grand
Will surely melt away
For in life's raging storm they cannot stand
In the Rock of the Ages
All my hopes are built today
And in the Rock they will never pass away
And in the Rock they will never pass away.

In His Time

There's a storm on the horizon
And everywhere I turn
It seems as if I've tried that way before
Lookin' for the answers to come to me right now
To pick me up and set me on higher ground

CHORUS

In His time, He will make everything right
In His time, He'll show me His way
In His time, He will deliver me
And in this storm He will be glorified
In His time.

How long, Oh Lord, How long, Oh, Lord
Will I have to cry
I know you long to wipe away
The tears from my eyes
And though I may not understand
Your purpose and Your plan
I know Your grace will carry me through

Repeat chorus

BRIDGE

They that wait upon the Lord
Shall renew their strength
Like the eagles soar

TAG

And In this storm, He will be glorified
In His time.

Along Came Jesus

Lonely, downhearted looking for a place to go
Searchin' here and there and everywhere
Where to go I did not know
Without a song to sing I didn't have anything
No, I was livin' on lonely street
Then along came Jesus and He stopped
And rescued me.
Rescued me.

You know I was lonely, downhearted
Looking for a place to go
Searchin' here and there and everywhere
Where to go I did not know
Without a song to sing I didn't have anything
I was livin' on lonely street
Then along came Jesus and He stopped
And rescued me
Rescued me.

You know I'm happy now
Ever since Jesus came into my heart
Oh Lord I'm happy now
Ever since You made my sins depart
No more lonely days and lonely nights
Whoa glory hallelujah
All because Jesus stopped by and rescued me
Rescued me

You know I'm happy now
Happy now, Happy now
Ever since Jesus came into my life
And made a great change
I'm happy now, happy now, happy now
Ever since Jesus came into my life.

Lonely, downhearted
Looking for a place to go
Searchin' here and there and everywhere
Without a song to sing I didn't have anything
No I was livin' on lonely street
Then along came Jesus and He stopped
And rescued me
He rescued me.

I'm happy now. Happy now. Happy now
Ever since Jesus came into my life
And made a great change
I'm happy now, happy now, happy now
Ever since Jesus came into my life
And rescued me.

Holding To My Savior's Hand

Paul and Silas locked up in a jailhouse
Never losing faith 'cause
They knew what God could do
Then the walls began to shake
And the prison doors swung open
For they never stopped holding on
To the Hand that brought them through

CHORUS

When the wind and rain
Blow through the clouds
Thunder and Lightning dance about
When it seems more than I can stand
Gonna keep holding to my Savior's Hand
Though I can't depend on my eyes to see
Through the many storms up ahead of me
I set my sights on the One who can
Gonna keep holding to my Savior's Hand
We are often faced with racking storms
Of life sorrows we can't bear
And fears we cannot hide
Standing on the banks
Of a deep and rushing river
There's a Hand we can hold onto
That'll get us to the other side
To the other side.

Repeat Chorus

TAG

Though I can't depend on my eyes to see
Through the many storms up ahead of me
I set my sights on the One who can
Gonna keep holding to my Savior's Hand.

Oh, Lord of Abraham, Isaac and Jacob
(Oh Lord of Abraham, Isaac and Jacob)
Friend of Moses and the great I Am

The One who commanded the sun to stand still

Try Jesus

If you ever need a friend closer than your brother

Try Jesus

And if you ever need a counselor better than your mother

Try Jesus

And if you ever need a someone to draw you closer to the Father

Try Jesus

And if you ever need a hand to help you step out on the water

Try Jesus

He alone knows your condition

He alone knows your heart's intention

If you ever needed someone to lay down their life for you

Try Jesus

If you ever need a healer when the doctor walks away

Friend try Jesus

And if you never thought you'd have the strength to face another day

Try Jesus

If you ever needed someone to walk with you to the end

Try My Jesus

And if you ever need to hear the words "I forgive you" again

Try Jesus

Try Jesus. He never fails

Try Jesus when the doubts assail

Try Jesus He never fails

If you ever need a friend

Try Jesus.

If We Never Meet Again

Soon we'll come to the end of life's journey
And perhaps we'll never meet any more
Till we gather in Heaven's bright city
Far away on that beautiful shore.

CHORUS

If we never meet again this side of Heaven
As we struggle through this world and it's strife
There's another meeting place somewhere in Heaven
By the side of the river of life.
Where the charming roses bloom forever
And where separations come no more
If we never meet again this side of Heaven
I will meet you on that beautiful shore.

Oh, they say that we shall meet by the river
Where no storm clouds ever darken the sky
And they say that we'll be happy in Heaven
In the wonderful sweet by and by

Repeat Chorus

TAG

I will meet you
I will meet you on that beautiful shore.
